UNITED STATES DISTRICT JUDGE

After weighing the best interests of the public and of the Defendant with the ends of justice, the Court finds that granting a continuance will strike a proper balance between the ends of justice and the best interests of the public and of the Defendant for the reasons stated in the motion requesting a continuance, filed October 30, 2019 (Doc. 2959). Specifically, the complexity of the case, continuing disclosure of discovery, and continuing investigation of discovery, outweighs the Defendant's and the public's interest in a speedy trial. See 18 U.S.C. Section 3161(h)(7). The pretrial motion deadline is **October 19, 2019**. The Court will set the trial for **October 26, 2020 at 9:00 a.m.** (trailing docket). This 329-day continuance is sufficient, without being greater than necessary, for the Defendant to complete the tasks set forth in the motion to continue.
